## It's the Most Wonderful Time of the Year!

Historian and two-time Pulitzer Prize winner David McCullough says that every Christmas morning during his childhood, he woke up to a wrapped book at the foot of his bed, left by Santa.

McCullough's children (and now grandchildren) are also recipients of this literary largesse, creating a wonderful tradition.

There are few things that start the day off better than discovering a new book at the foot of your bed.

"I think my love of books began on those mornings long ago and the love as never gone stale."
