## Our Library Spaces—Growing and Changing

It is no surprise that public library usage around the U.S. has been growing and changing significantly in recent years. Nowadays, people visit the library for meeting space and collaborative work as much as for access to materials. In order to remain current in all areas of innovation and inspiration, the Tinley Park Public Library began a Main Level interior redesign in July.

Some of the exciting changes we have made include:

- Increased seating for quiet and collaborative use
- Additional display areas and compact shelving
- Easier browsing experience
- Optimized outdoor views and natural light
- Open-concept design with increased sightlines
- New carpet, wallpaper, and paint

In an ever-changing world of information, the library plays an increasingly vital role in the lives of those who live and work in our community. We are confident these improved spaces will enhance our ability to provide better experiences for you.

Thank you for your understanding and patience during our renovation. Please come visit us soon!

*Love Grows by Giving*

Monday, November 20 through Friday, December 8

The library will be a drop-off point for the following local organizations:

**Books

Babies**

## Books for Babies Continues!

We are happy to announce that the Friends of the Tinley Park Public Library continues to sponsor the Books for Babies initiative. Each baby born or adopted in Tinley Park or Orland Hills is eligible to receive a Books for Babies kit. These attractive kits include a colorful board book along with a variety of brochures with reading tips and early literacy information.

Parents/guardians may stop by the Youth Services Desk or our website to fill out a Books for Babies application form. Families must reside in Tinley Park or Orland Hills and must show proof of residency when submitting their completed application.

## Fairy Tale Theatre The Princess King Curtain Call

Written by Jeff Fluharty

Produced by special arrangement with Pioneer Drama Service Inc., Englewood Colorado

This summer the library was very pleased to present *The Princess King*. This was the 19<sup>th</sup> play from our teen theatre group, Fairy Tale Theatre. The cast and crew of our Fairy Tale Theatre productions are made up of middle and high school teens from the Tinley Park area. We held auditions in May and the teens attended rehearsals twice per week until the shows on July 14 and 15. There were four shows over the two days and all 100 tickets for each show were sold out.

The teens involved in the show all had a lot of fun and several audience members said it was the best show they've seen at the library!
