

**This is my library.
The Tinley Park
Public Library.**

The fountain at my library is for viewing only. I can look at the interesting rocks and stones.

I am careful to stay outside of the ledge.

When I come into the library, it is important that I walk. I try to use my quiet voice.

There are many statues and pieces of art in the library for me to look at...

The first floor is mostly for adult books, movies and classes. Sometimes there will be youth programs in our meeting room.

I can take the stairs or the elevator to come up to the Youth Services floor.

This is the desk to ask the librarians for help. They can help me find books, movies, games or just answer my questions.

My library has a fish tank where
I can visit the fish.

There are puzzles and games to play with under the star. They stay at the library.

This is my library card. I can use it to check out books, video games or movies.

When I am finished with them, I will return them to the library's book drop. There is one outside

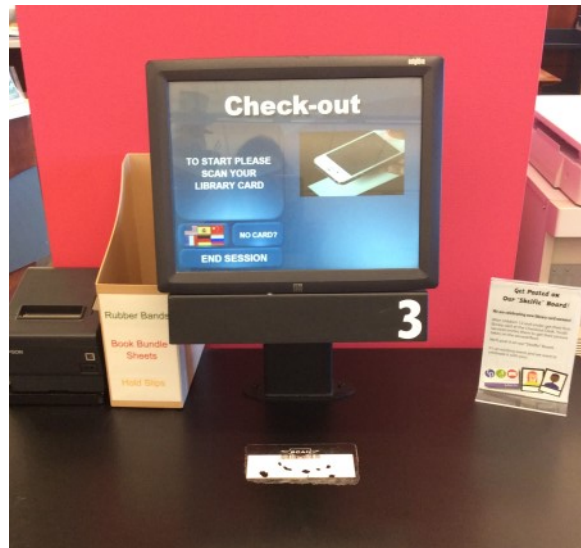

and one inside on the first floor.

There are many books, movies or video games to check out with my library card.

I can check them out at a
self-checkout.....

or at the Circulation Desk.

This is the Activity Room.
Many storytimes and activities
take place here.

During storytime I can sit on a chair, the floor or on a cushion. I can listen to a story, play a game or sing a song.

Sometimes I may see Mrs. Curtis or
Mrs. Kilgore at Supported Storytime
or Pajamarama.

The library is a fun place to visit
and learn new things!

This social story was written to help prepare patrons for their visit to our library.

Families can read it online or print it out to read together. Print copies are available at the Youth Services Desk for use in the library.
