2024–2025 Library Renovation

As we celebrate 20 years in our current building, I'm excited to announce plans to revitalize our second-floor Youth Services Department for the next generation of readers. These renovations are part of a strategic planning process that began just before the COVID-19 pandemic. A community survey informed our Board-approved Strategic Plan and architectural master plan, forging a path forward in the years ahead. Our Board and staff are committed to maintaining a welcoming, modern facility. We understand these changes may prompt questions for our patrons, but rest assured our staff are here to support you and ensure access to all services during this transformation.

What is changing?

- The primary focus will be refreshing our second-floor Youth Services Department:
 - Replacing 20-year-old carpet, furniture, and seating
 - Updating programming rooms
 - Improving accessibility, adding a dual-purpose nursing and sensory room
- Restrooms will be updated
- A drive-up window for convenient pickup of holds will be added to our existing drive-up book drop

When will the renovation take place?

Construction is expected to begin in December 2024 and last through summer 2025.

Will you be closing the library?

No, the library will remain open during construction.

How will this affect my visits to the library?

Product Architecture + Design and SMC Construction Services have planned for construction to be done in phases to minimize the impact on library patrons' experience. Areas of the building will be closed off at different times throughout the renovation, but our usual services and collections will remain available. You may notice a temporarily scaled-down schedule of programs, and programs may be held offsite.

How is the library paying for the renovation?

Thanks to diligent long-term planning, fiscal responsibility, and stewardship, the library has secured ample funds to cover all planned improvements.

For more information and regular updates, please visit our renovation webpage: tplibrary.me/renovation.
